Hi family:

I'm the proud grandmother of a little boy, born May 12th/2004, by C section Weighed 2 kilos 650 grams, & was 48 cm long (19 in). Can't figure how many pounds, so you will have to figure it out.

Victor & Wichi sold their apartment & moved temporarily, to a house my "consuegros" (~~hacia~~ had Wichas father builds & sells houses); they bought a lot & are going to build close to where Wichas parents live. (in the southern part of Guadalajara; we live in the northern part) they don't have a tel.; only de cel phones.

So... I go over there everyday between 1:00 & 2:00 and stay until around 10:00 p.m. Wichas mother spends the night with them, helps in the morning until I arrive (she gets to ~~give~~ the baby his bath) I fix lunch & dinner for everyone (Victor, Wicha Wicha mamá & Fernando, Victor & me)

So, we are very busy now.

Well, I'll try to keep in touch with you

later & let you know how things are here.
Hope you all are well

Love,
Vivian

Dear family:
As some of you know, the last year and 1/2, was a very difficult year for us.
First : the 2 mouth operations Victor had ? March & May).
The stupid pathologist that told us Victor had cancer (had 2 more drs ck, and no metastasis.)!!??!!...
We really got scared.!!

Patricias new trial in May (was not represented properly) and went to jail until Feb 14/2012.
We went to see her im Nov,for a hearing and to find out what was going on!!!??? And for her Birthday.

It all affected my health, ; had colds a week of every month (=developed allergies). (depression; etc etc)

They called from Loris' school, to tell me she had neumonia, but was at school and taking meds.
She also fell down and hurt her wrist!

*Victor Jr was layed off work , 2 yrs ago, & started a new bussiness on
His own. Had to sell his house... And **afe expecting a** baby boy i;for mid Oct.
Ee hoped it was a girl, but ni modo!!

+ Juan, millions of problems w/ the mother of his 2 kids. With lawyers now, fighting for custody. !!!!
Business bad for him , too!
We've had to help both of our kids....

* many other problems that fall direct on me, and Victor helps me w/ some things.

Well, I want to thank you for the moral support; the books and letters you sent to Patrici, and some of you sent $, too,All the possitive things you told me!
They all helped make liife aittle easier!!

The economic situation all over the world, has affected everybody!

Well. I just wanted to thank you all again, for your moral support, your patience; you love; yor kimd words!

Love you all!!
Vivian

Ps; Patricia is still waiting for another trial,; or the dissmissl of charges. Lets see what happens????...!!!!

Hello dear one!
So good to hear from you. I'm glad Lori will be home for the holiday.I'm sure she homesick even after all this time away. Wonderful news about Patty, how is she doing and do you have an address that I can have to write to her? She was always in touch with us when Buster was alive. We stopped to she one time and she was doing so well.
I am having a few issues that have come along since my strong,one being my depth perception is hard to deal with- but I try.

Lonnie's youngest daughter Kelsey is getting married next August 15,2015 in St.Joseph.MO. It is north of where Lonnie & Don live. She is so excited as is Lonnie.
Lonnie's e-mail again (she would love to hear from you) peculpetes@yahoo.com

Hola, This is your Uncle Jack reporting to bring you up to date on current happenings.

On august 6th, Esperanza and I will return to El Paso. Emails, faxes, and telephone calls gladly received.

On September 26th, we pick up Lori and return to Guadalajara for the wedding and months vacation for Lori. On October 25thm Lori returns to Frankfort, Ky. and Esperanza and I return to El Paso for an indefinite period.

If you are planning to attend Victor´s wedding on September 28th, **Please confirm to me in El Paso.**

(this, so that I can arrange suitable lodgings, food, and entertainment, for you).

If you are planning on mailing a wedding gift, **DON´T**. (There is a 50% chance it wouldn´t arrive, and should it, there could be a Mexico customs value applied of more than the original cost, thus requiring payment of import duties).

Better would be the sending of a check in the name of **"VICTOR MARTINEZ DE CASTRO GREEN",** to him at my El Paso mail address, (8900 Viscount # 155, El Pasom, Tx 79925). I can then deposit same for him to Vivian´s bank account in El Paso.

Muchos Saludos, Jack.

.....The happy couple.

Hi: Sorry for not answering back, but between my shoulder op in Nov 2008, rehab, Loris' operations, trips, more rehab in between trips, then my total knee replacement (now the left one) in Nov. 2009, Xmas, rehab, etc. etc. I was unable to sit down and ck my e mails, plus Juan is using my computer all the time for work.

We have 4 grandchildren now, 2 from Wicha and Victor: Vittorio is almost 6, Nicolas is 2 1/2; Juan didn't get married, but has 2 kids with Raquel: Jack 2 yrs 9 mo, and Monica Camila 4 months old.

All are great! I have lots of fun with them and since the weather is perfect now, we have been using the pool and the kids love the water.

Friday we are leaving for NY, to take a cruise to the Bermudas April 25th to May 2; stay in NY until the 7th, fly to Indiana to see you all, and drive to KY on the 10th to see Lori and be there for Parents Weekend. until the 18th, and fly home to continue with my rehab.

Well, I will try to keep in touch with all of you more often.

Lot of love to all of you,

Vivian and family

Hello....

It's been a long time .I have talked to Patty and to Loretta but no word from you.

What's going on down there ? Could you please send me a new family picture of ALL of your family ??
I was out to Lonnie's for a couple of weeks during Thanksgiving and Dave & Barb drove back too.We had a great time ,The 5 of us went to Branson,Mo. for a few

days and had so much fun. Then back to Lonnie's and all the kids were home (sometime) it was the first time we have been together in about 8 years. There was always one of the kids missing.

Lisa graduated from college Dec.19th.Now they only have Kelsey in college.

I can't believe Don & Lonnie and Dave & Barb will each celebrate their 28th anniversaries in May and June.

Tell everyone I said hello ...if they still remember me.

Have to get ready for bed early church tomorrow .

Give my love to all , Aunt Lucy

Hi! Thank you all for your prayers, you thoughts, your emails, etc. We know there are a lot of people & family that love us & , eventho could not be here with us, were intouch somehow.

As Laurel said:"It is difficult to let go , to accept that she might be in a better place, than we are". But we are thankful that we had her, I as a mother, others as an aunt, companion of may years, or as a friend. She never complained!!! She was a lady up to the very last moment.

Well, if you would like to do something for her, or in her memory, you could donate whatever you can to Cancer Research. Maybe it will help others.

Dad is leaving for El Paso Sat., & I will meet him Tuesday, to help pack & move him to a smaller apt.

We will be comming back on the 24th of Nov. Don't know if I can prepare something for Thanksgiving or not, but on the 26th to Dec. 3 rd. will be in Puerto Vallarta.

Xmas this year is going to be at Victor & Wichas ' house. & then on the 26th, as we have done many years, will be going to Barra de Navidad, until the 2nd of Jan.

Well, thank you all again for all your kind words.

Much love, hugs & kisses,

Vivian & family
